Child Care and 3K:

- **Full Day Child Care and 4K Before and After School Care-** The Y will make every attempt to keep our child care centers open normal business hours so parents can go to work. However, in extreme weather the Y may modify the child care center hours to 7am to 5pm.
- **3K Preschool Education—** If inclement weather results in a delayed start time for the PWSSD or if the PWSSD cancels school, there will be no 3K that day.

Before & After School Care at: Feith Family Ozaukee YMCA, Grafton School District, Cedarburg School District, Port Washington/Saukville School District, Northern Ozaukee School District and Lumen Christi:

- **If schools are closed** (school district specific) we will not operate a before or after school (AM or PM) Program. Instead we will run a Kids Day Out program at Parkside Community United Church of Christ in Saukville from 6:00am-6:00pm for an additional fee. All school districts are welcome to join.
 - If schools close after 6:00am, we will ask that any children already dropped off in before school program are picked up. They may be transported by families to Parkside Community Church if care is needed for the day
- **Late start** (school district specific): We will not operate a Before School (AM) program. The (PM) program will run.
- **Early Closure** (school district specific): We will not operate an After School (PM) program; children will need to be picked up when school is dismissed.
- **After school activities are cancelled** (school district specific): We will still operate an After School (PM) Program as usual. We ask that parents pick up their children as soon as possible due to deteriorating weather.
