# HONORING

## Past President **STEVE JOHNSON** & Johnson Family

The Kettle Moraine YMCA is proud to celebrate over 55 years of serving Washington County—and this year, we are honored to recognize the Johnson Family, who have been part of the Y story since its very beginning.

Steve Johnson served as Board President from 2003 to 2005, leading the planning and construction of the River Shores branch. A true advocate for the Y, Steve embodied the spirit of community through his active participation, generosity, and leadership.

Join us as we celebrate Steve and the entire Johnson Family for their lasting impact on the YMCA and their unwavering commitment to strengthening our community.
