4K BEFORE AND AFTER SCHOOL CHILD CARE

Offered onsite at the YMCA, serving all 3 Port Washington Saukville School District elementary schools, including Dunwiddie, Lincoln, and Saukville.

LEARN. GROW. THRIVE.

Activities, Gyms, Playgrounds, Oh My!

The daily schedule includes fun activities, outdoor play, quiet time, free play with friends in our learning centers, spacious gym, outdoor playground, and nature gardens.

Fun Engaging Activities.

Our activities are fun but focused on large motor skills, fine motor skills, art and creativity, science, math, and sensory that complement the 4K education program through the school district.

Relationships.

At the Y, we make it our mission to nurture children's social and emotional development, enhancing the learning in our preschool classrooms. How do we do this? We build child-teacher relationships and encourage the children to connect with their peers and learn emotional regulation.

Swim Lessons & More!

Children also have access to swim lessons and youth enrichment classes during childcare hours. Check out all available programs:
